

National Fair Play Statement

Respect and Fair Play is the foundation of a positive and healthy competitive environment. The competitive environment is grounded in respect for the sport, rules, opponents, tournament organizers, officials, coaches, parents and spectators. Competitors will demonstrate good sportsmanship, make fair and honest calls, use appropriate language, give opponents the benefit of the doubt and use information technology and social media in a respectful way. Verbal or physical abuse is not tolerated. Giving best efforts, working hard, competing fairly, improving skills and having fun are encouraged.
